This 2nd TPM was hosted in
Hatay, Turkey from 29th
April to 3rd May 2019.

Under the Erasmus+
programme and the project
we share - the participants
that attended it were the
following ones:

2 teachers from Spain,
Estonia and France.

Mehmet SUSAM hosted our guests in director room. In this first meeting, the Principal Ahmet AKSOY made a welcome speech with his best wishes. After a warm chat with the guests, we visited the different units and rooms of our school, included Teachers' Room, Library, Indoor Sports Hall, Canteen, Guidance Room, Erasmus + Project Room, Music and Painting Rooms and Conference Hall. To the surprise of our guests, a mini music concert was organized in the conference hall by Music Teacher Özlem Seyfi and students. After this music feast, the final report of the project and the e-Twinning presentation, teacher and student questionnaires were evaluated in the School Parents Association Meeting Room. A rich lunch consisting of local delicacies of Hatay, which was prepared by the Parent-Teacher Association and our parents with their beautiful hearts and skillful hands, was eaten together with our guests. In the second part of

the day, Mr. Nevzat ŞENGÖK, Governor of Defne District and Director of National Education of Defne Mr. Kemal GÜLİSTAN are visited by the school administration and project teachers together with our guests. As a school, we would like to thank Mr. Governor and Defne District Director of National Education for sharing their sincere feelings and paying attention to our project and our guests.

On the second and last day of the program, we visited San Pierre Church, Hatay Archeology Museum, Habibi Neccar Mosque, Grand Bazaar, Orthodox and Catholic Churches, Sinagog, historical Antakya streets, Bridge square and Atatürk Parc, Harbiye Waterfall, Saint Simon Monastery, Vakıflı and Hıdırbey Villages, Samandag Cevlik and beach, Titus Tunnel and Rock Tombs, as well as the unique historical sites and natural beauties of Antakya and Samandag. In addition, unique tastes were tasted in

different places from the rich cuisine of Hatay, which is a gastronomic city. Guest teachers have always expressed their appreciation to our school, administration and teachers, students and parents and expressed their admiration for our culture. In particular, our guests attending the Graduation Ceremony of Grade 12 students reported that they have seen Necmi Asfuroğlu Anatolian High School School Culture which is composed of school administration-teacher-parent-student stakeholders.

Two years of ongoing Erasmus + Go For Literacy You From To Enlighten the Future project is coming to end after Turkey Mobility. We would like to thank our partners, the school administration, project coordinators, school teachers, students and parents who contributed to the development, implementation and execution of the project and wish to meet in new projects.

A fruitful and intercultural Mobility in Hatay
